

PEE: Proving It and Explaining It

Name: _____

Class: _____

Date: _____

Write all answers in your book. Number each one.

Point	Evidence	Explain	Explain starters
Answer the question in one sentence.	2 to 5 words, quoted inside your own sentence.	Say what the evidence shows and link it back to the point. Never just repeat the quote or the point in other words.	<i>This suggests ... because ... The word "___" makes the reader feel ...</i>

Part A: Do Now (4 min, on your own)

Last lesson: inference. What can you work out? How do you know?

A1 Jake's football boots sat by the door, still caked in mud, and a new trophy was already on the shelf.

A2 Nobody laughed at Mr Kent's joke. Somewhere at the back, a chair creaked.

Part B: Quote Golf (pairs, 8 min)

Prove the point using the FEWEST words from the sentence. Every word = 1 stroke. Beat par. A quote that doesn't prove the point is disqualified, however short.

Hole	Point to prove	Sentence	Par
1	The dog is terrified.	The small brown dog crouched under the kitchen table, trembling all over and whimpering every time the thunder cracked outside.	1
2	Mr Hale is lonely.	Every evening Mr Hale set the table for two, then ate his dinner in silence, facing the empty chair.	2
3	Sara is determined.	Even after falling for the third time, Sara wiped the blood from her knee, gritted her teeth and climbed back onto the bike.	2
4★	Mrs Park is secretly pleased.	"Well, I suppose that will have to do," said Mrs Park, but the corner of her mouth twitched upward as she handed back the essay.	3

Part C: Drill

C1–C3: Finish the Explain. The Point and Evidence are done for you. Write the Explain only, in two clauses: This suggests ... because ...

C1 Amir is nervous about the test. We can see this when he "jumped when the door opened".

C2 The captain is hiding his fear. This is clear when his "knuckles had turned white".

C3 The writer is angry at the council. He points out the "same broken swing since 2019".

C4–C5: Explain Doctor. Each Explain below is weak. Say what is wrong with it, then rewrite it properly.

C4 Point: the dog is terrified. Evidence: "trembling all over". Explain: "This shows that the dog is really, really scared."

C5 Point: Mr Hale is lonely. Evidence: "the empty chair". Explain: "This quote shows that there is a chair with nobody sitting in it."

C6–C7: full PEE. Point, then evidence inside your sentence, then explain.

C6 Grandma's kitchen always smelled of cinnamon. There was a drawer that never quite closed, stuffed with birthday cards from forty years of grandchildren.

How does the writer show that Grandma is loved?

C7 Every Saturday, Mr Ofori opened the shop an hour early so the night-shift nurses could buy their bread before bed.

What does this suggest about Mr Ofori?

Part D: Exit Ticket (on your own, 3 marks: 1 point, 1 evidence, 1 explain)

D When the results were read out, Lily smiled politely and clapped for the winner, then walked quickly to the bathroom and locked the door.

How does Lily really feel? Write one full PEE answer.
